u alaikum, my fellow Muslims. I hope this message finds you in good health and high spirits.
As we approach the end of Ramadan, many of us are reflecting on our spiritual journeys over the past month. We have fasted, prayed, given to charity, and sought forgiveness from Allah (SWT). But as we near the end of this blessed month, I want to take a moment to reflect on something that has been weighing heavily on my heart.
As Muslims, we are taught to love our neighbors as ourselves. We are instructed to treat others with kindness, compassion, and empathy.
